WORK EXPERIENCE

Senior Marketing Manager | People Perfect

Jun 2025 – Present (Lahore, Onsite)

- Own end-to-end marketing strategy covering brand management, PR, product marketing, content governance, CRM-led growth, and B2B demand initiatives
- Manage a team of 4 direct reports and 2 external freelancers, overseeing content, design, SEO, and digital execution
- Manage a monthly marketing budget of $10K, overseeing spend allocation and ROI across campaigns, CRM, and content initiatives
- Led product research and costing for 5 HR consultancy service lines, defining pricing now live on the marketplace — directly shaping the company's positioning as a first-of-its-kind HR services marketplace
- Lead marketing oversight for a first-of-its-kind HR services marketplace, ensuring consistent positioning, messaging accuracy, and brand compliance across all user-facing touchpoints
- Act as the final authority for brand and content governance, approving all marketplace and corporate content
- Drive PR, communications, and thought leadership initiatives to strengthen market presence within the HR and professional services ecosystem
- Support UAE-focused market expansion through structured communications, partner-led outreach, and senior HR stakeholder engagement
- Manage and optimize Bitrix24 CRM workflows, improving lead visibility, lifecycle tracking, and sales alignment
- Ran account-based targeting via LinkedIn Sales Navigator, building outreach lists of C-level executives at UAE enterprises (500+ employees) and second-generation owners of large Pakistani FMCG businesses (500+ employees), to support enterprise-focused pipeline development
- Plan and execute industry webinars and marketing events, engaging senior HR and business leadership audiences

- Built AI-assisted workflows and dashboards (Claude, Claude Design, ChatGPT, Zapier, Notion) to streamline reporting, content review, and task tracking
